REMARKS

The above changes requested in the Claims and Specification are intended to correct apparent typographical errors. For example, the requested change in Claim 31 simply correlates the claims language "for supporting the mat" with the corresponding phrase "for supporting the mat" in Claim 22, line 5. The addition requested to the Remarks section is simply to correct an inadvertent omission.

DATED this 11th day of October 2007.

Respectfully submitted,
